

*Challenge 5:
School Garden/Habitat Restoration
Plant Package*

Cherry Lake Tree Farm has made a package of plants available to any school participating in the Fairchild Challenge School Garden/Habitat Restoration. This package is meant to help facilitate your efforts in creating/restoring a school garden -- it is NOT mandatory that you use any or all of these plants. In fact, we encourage you to look towards the local community for help sourcing plant material for your project.

School Name: _____

Contact Teacher: _____

Desired Pick-up Date: _____

(material will be available for pick-up at Cherry Lake Tree Farm Monday-Friday. You must schedule the pick-up date and time 24 hours in advance)

	Size	Variety	Max. Qty per School	Quantity Requested
Shrubs & Ground Cover	1 gallon	Big Blue Liriope	8	_____
	1 gallon	Yellow African Iris	8	_____
	3 gallon	Dwarf Fakahatchee Grass	5	_____
	3 gallon	Viburnum Odoratissimum	5	_____
	5 gallon	Saw Palmetto	5	_____
Ornamental Trees	3 gallon	Ligustrum	5	_____
	3 gallon	Crape Myrtle (multi-trunk)	5	_____
	15 gallon	Bald Cypress	3	_____
	30 gallon	Dahoon Holly (clear trunk)	3	_____
	30 gallon	East Palatka Holly (full to the ground)	3	_____
	30 gallon	Laurel Oak	3	_____
	30 gallon	Live Oak	3	_____

We strongly encourage you to have a design concept for your garden/restoration before placing an order for plants from this list. If you choose to use any of the plants in this plant package, the judges will be looking for the inclusion of those plants in your final project.

When picking the quantity of each variety you want, please keep in mind the following:

- How will you incorporate these plants into your design and garden?
- How many plants do you need in your garden design?
- What spacing will you have between plants?
- How will you pick-up the material and transport it to your school?
- How will you off-load the material once it arrives at your school?
- How will you stage the material before it gets planted?
- How will you water the material?

Please fill out the quantity of each variety that you would like and submit your order to:
